

PRAY FOR SCHOOLS LEADER CHECKLIST

The WMBA 2023 Prayer Walk for Schools is scheduled for Saturday, July, 29, 2023 at 10:00 a.m. The WMBA is encouraging our churches to not only physically pray at school locations (parking lots with permission), but to also pray from their homes or churches and then share that they prayed on our Facebook page.

- Churches that plan to **pray in person** at schools, please **contact the principals** of each school that you will be praying at.
 - Introduce yourself, advising you will be the PrayerWalk leader at their school on **July 29 at 10:00am**.
 - Invite any school staff that will be there that day to join you. (Be there a few minutes before 10:00 so you can welcome others as they arrive.)
- This is an excellent opportunity to find out the prayer needs of each school. Whether you are planning to pray on the school campus or not, it would be beneficial to contact the principals to let them know that they are prayed for.
- Try to enlist a team to go with you.
- Thank everyone who comes. (If you are the only one, continue to each site on the campus.) This will be a great blessing to everyone who participates. Just wait until you see the total! It is awesome to think at the **same** time you were praying many others were covering other schools in prayer.
- If enough walkers are present, split into small groups and go in different directions to start. Each team should pray at every campus site.
- Use Prayer Circuit guideline for areas of prayer. Feel free to make copies.

After praying we ask that each person comment on the WMBA Facebook (<https://www.facebook.com/WestMetroBaptistAssociation>) page Pray for Schools post (July 29):

- that they prayed
- your church name
- the name of the school/schools
- post pictures of your group praying, in the comments section of the post

Thank you, for your partnership in praying for our schools in Cobb, Douglas & Paulding counties!

If you are unable to post on Facebook, please call Cathy Whitten at 770-941-9818 or email her at cw@westmetro baptist.com with the names of the schools you prayed for and the number of people praying.
