

SATURDAY | JULY 29, 2023 | 10 A.M.

Each church will need to contact the principal for each school you will be praying for. Let the principals know that your church will be praying for them, ask the principals what their school's specific prayer needs are. Have a time of prayer in school parking lots (with permission), at your church, or your home. After praying we ask that each person comment on the WMBA Facebook page Pray for Schools post (July 29), that they prayed, your church name, and the name of the school/schools.
